

**Extreme Physiology Intersession Course
Costs, Payment Deadlines, Refund Schedule and Included Expenses**

Course Costs

Extreme Physiology Travel Course Fee: \$3100.

Tuition: \$1231 – this represents a discount to 1/3 of the normal intersession tuition of \$1231 per credit. Extreme Physiology is a 3-credit course.

Round-trip Airfare to Tucson, AZ - airfare is not included in the Course Fee or tuition. Each student is responsible for booking his/her own flight, with an arrival date of **December 28, 2021** and a departure date of **January 22, 2022**. Round-trip coach airfare is currently running \$500-650. Students may also be responsible for airport shuttle fees from Tucson Intl. Airport to the on-location course residence (an approximately 20 mile trip), but we will attempt to accommodate pickup from and delivery to the airport, if possible.

Payment Deadlines

First Payment (\$400 deposit) is due with course application

Second Payment (\$875) is due **Thursday, November 4, 2021**

Final Payment (Balance of **\$1825**) is due **Wednesday, December 1, 2021**

Refund Schedule

Until November 4, 2021, all monies paid toward the Course Fee will be fully refunded to any student withdrawing his/her registration and to any student who was not accepted into the course.

Beginning November 4, 2021, the 1st and 2nd deposits (totaling \$1275) are non-refundable unless the withdrawing student can be replaced by another student accepted into the course by the course instructor. Between November 4 and December 1, 2021, any monies paid beyond the 1st and 2nd deposits toward the full Course Fee will be refunded to a withdrawing student.

After December 1, 2021, the entirety of the Travel Course Fee is non-refundable unless the withdrawing student can be replaced by another student accepted into the course by the course instructors.

Trip Expenses included in \$3100 Course Fee

Housing

Meals (3 meals/day; discretionary dining-out expenses not included)

Transportation costs while in AZ (airfare to AZ not included)

Human Performance Laboratory Expenses

Exercise Equipment Rental (e.g., bicycles)

Entrance fees to Course destinations (e.g., Grand Canyon, AZ state parks, etc.)

Swimming Pool Use Fees

Cooking Classes (at on-location residence)
